

Harvesting

Initial harvest

- Check the harvest on-site to avoid the risk of "bagging loss" at the same time
- Check the harvest on-site to avoid the risk of "bagging loss" at the same time
- Check the harvest on-site to avoid the risk of "bagging loss" at the same time
- Check the harvest on-site to avoid the risk of "bagging loss" at the same time

Ongoing harvest

- Check the harvest on-site to avoid the risk of "bagging loss" at the same time
- Check the harvest on-site to avoid the risk of "bagging loss" at the same time
